RE: USC graduate,

To Whom It May Concern,

This letter certifies that USC student \_\_\_\_\_ completed all degree requirements for the Master of Science in Computer Science. \_\_\_\_\_ met her final requirements for graduation when an administrative action occurred on February 6, 2017. Her degree was conferred on February 8, 2017 with a degree conferral date of May 12, 2017.

Based on longstanding policy, USC confers degrees in each fall, spring, and summer semesters with a single conferral date for each semester. A student's degree date is based on the semester in which all degree requirements were met. \_\_\_\_\_ completed her degree requirements in the Spring 2017 semester which has a degree conferral date of May 12, 2017.
